TOWN MEETING TO VOTE ON \$209,200 FOR SCHOOL LAND AND BUILDING

Having received a petition signed by twenty or more citizens, the selectmen of Norwich have called a special town meeting for the evening of Friday, March 11, in the town hall, at which proposals by the school board for the purchase of land for school purposes and the appropriation of money for a school building are to come before the citizens to vote on. The matters in the call are for an appropriation of \$209,200 to purchase land on the East Side for school purposes, \$12,000 for the purchase of a lot at Elizabeth and Benjamin streets for school purposes, and \$200,000 for the erection of a school building on this West Side lot.

A vote will also be called for upon a motion to appoint a committee to carry out the school building projects and to authorize the selectmen to borrow the money at such times as it may be needed.

These school matters will be discussed at an open forum meeting of the chamber of commerce, for which notices have been sent out as follows by John M. Lee, chairman of the meeting:

BLIND CHAPLAIN'S PRAYER
IMPRESSES STATE LEGISLATORS
Rev. Edward P. Ayer, the blind chaplain of the house of representatives, is achieving the respect and friendship of the legislators on Capitol Hill, Hartford, through the brevity and genuine worth of the prayers which he is offering each morning of the sessions. His listeners are coming to realize that he has the gift of saying something worthwhile in a sentence or two of well-balanced English.

The chaplain, who is an admirer of President Harding, and who has been all his life a believer in and a supporter of the old Lincoln party as was his father and his grandfather, offered appropriately at the session Thursday this choice monologue:

"Our All-Wise Father, reverently we bow in Thy praise, as we meet here for service. Graciously we receive all Thy good gifts. Graciously pardon our offences. Earnestly we seek peace and comfort for our retiring president. Give his successor for strength for the morrow and wisdom in statesmanship and friendship. May he, the choice of the people, have the people's confidence. Make his heart glad with the approval of God and men. All this through Jesus Christ, our Lord. Amen."

HOME-BREW SENDS HENS
TO BOAST IN AFTERNOON
"Early to bed and early to rise" is a motto that a certain flock of hens in this city followed recently according to a story that has been told about a Norwich man when the 15th amendment does not trouble for he makes his own. The story is that this man had been making a little home made beer and as is the custom, if the receipt is correctly followed, there is a little refuse left which may be fed to the hens. This was what was done with the refuse. It was thrown out to the hen house one day about noon and was greedily devoured. About four o'clock when the good wife of the man went to feed the flock she found much to her surprise, that all the hens had gone to roost and were soundly sleeping although it was scarcely time for them to retire.

Iron Works Hearing Postponed.
Absence of Attorney Arthur M. Marsh of Bridgeport, representing the United States Shipping Board Emergency Fleet act, has caused a continuance of a hearing on the determination of the ownership of unclaimed wage fund and the fund in the case of the United States Steamship Co., against the Gorton Iron Works in the superior court in New London Friday morning.

When the matter was called for a hearing, it developed that Attorney Marsh, through an oversight, had received no notice of the hearing and upon the suggestion of Judge John W. Banks, Attorney Marsh was gotten into communication with by telephone and he said that he had not been notified and that he would like to be present at the hearing on this matter, so Judge Banks ordered the hearing until the short calendar next Friday.

Suit Against New London.
Claiming damages of \$2,500, the Gorton Iron Works filed a suit Friday against the city of New London, papers being served on City Clerk Harry M. Adams by Sheriff J. H. Tubbs. It is alleged, in the complaint, that on March 7, 1920, the ferryboat Governor Churchill ran into the ferry slip of the Gorton Iron Works, at Gorton, and damaged the slip to the extent that repairs costing \$1,343.78 were necessary. The claim states that the defendant, through its agent, was careless, negligent and operated the boat at a high rate of speed.

STOMACH UPSET?

Get at the Real Cause—Take Dr. Edwards' Olive Tablets

That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the real cause of the ailment—clogged liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach troubles.

Have you a bad taste, coated tongue, poor appetite, a lazy, don't-care feeling, no ambition or energy, trouble with undigested food? Take Olive Tablets, the substitute for calomel.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without griping, cramps or pain.

Take one or two at bedtime for quick relief. Eat what you like. 15c and 30c.

POETRY

CONFESSION.
After an straying waves admit My dream to young ambition dear! In spite of all, my heart is true. Of many a freedom-seeking year. Yet slave am I of days, austere; But Time, which, scorns me, still re-joice!

The best is mine! I sleep good cheer. My heart has loved the light shines yet!

The feet may falter that were swift But all the while, when I am clear, All pathways traced in dust may shift. Mine, toward my star, can never waver, At earth nor snow, cold and drear, Life's wile sum can I forget? Can God from Heaven disappear?

My heart has loved the light shines yet!

My empty, fettered hand I lift. I swear that in life's eternal sphere All road to free and all loves' gift! In vain the peasant may year. I doubt not, and I cannot fear: As I have grown, each heart was met! Mine still the light shines yet!

My heart has loved the light shines yet!

ENVOY.
Prince, throne and scepters crumble here. On my death, his mark has set. But through all change my hope draws near. My heart has loved the light shines yet!
